OHM NEEDS YOUR SPECIAL GIFT IN DECEMBER

Between 20-25% of OHM's total contributions are given in the month of December. This makes year end giving absolutely critical to our future. Our need this year is to raise \$45,500.

Meeting this year end need will contribute to OHM's financial stability as we move forward with plans to hire an Executive Director and be more present in field ministry around the world.

With a solid foundation laid, we do not want to hesitate to build upon it with all the resources we have available. We are positioned to make great strides forward in the ministry in 2011 if funds are available to do so. We certainly do not want to have to

step back from the challenges before us. We have requests for training coming from around the U.S., Europe, Central America and Asia.

Find so we are asking you to consider a special gift at year end that will help us continue to build leaders like Terry and Kris in this letter. Use the enclosed envelop to send whatever you are able to contribute and we will gratefully exercise wisdom and good stewardship in putting it to work. Thank you for

helping us enter the new year with fuel in the tank so that we can make good

movement as we start 2011.

“But just as you excel in everything – in faith, in speech, in knowledge, in complete earnestness and in your love for us – see that you also excel in this grace of giving.”

II Corinthians 8:7

Merry Christmas!
